This Mini Car Dramatic Play Vehicle is the perfect size to help your smallest kids starting crafting dramatic stories of their pretend days driving to and from work, the store, or the playground itself! This play item is a clear winner when it comes to presenting a bit of imagination space to your grounds layout. It's important to have social interaction pieces like this Mini Car available for youth who are looking for a balance to all of the physical play activities. With this play car, they can work together to pilot the vehicle to a spot of their choosing and work their minds to conjure a tale that allows the scene to unfold. And with two steering wheels up front there will be no arguing about which person gets to drive. This robustly built Mini Car Dramatic Play Vehicle should work well as a novel addition to your church grounds, daycare facility, or preschool.
