Age Group: 2 to 5 years

Unit Size: 9' 6" x 4'

Use Zone: 21' 6" x 16'

A driving adventure is the perfect way to add some fun to a bland day. The Off-Road Truck Dramatic Play Vehicle provides just that as an imaginary, all-terrain vehicle that remains stationed in the play area. This item is made for children ages 2-5 years old and offers sizable room for them to move around the truck. On the inside there is bench seating on the rear for passengers. The front of the truck also features seating and is slightly separated by two small planks. The inside also features two steering wheels, which will minimize petty arguments and maximize the amount of fun that is to be had driving together. The outside of the truck features many details that complete the look of an off-road vehicle including a side step to assist children when climbing up and top racks that children can grab onto. The Off-Road Truck Dramatic Play Vehicle can also be used for teaching valuable traffic safety skills to young children.
