Eager kids will start their own constabulary with the 2 Seat Police Motorcycle Spring Bouncer which allows two children to ride at once. This eliminates any arguments or disagreements that may come when multiple children want to ride at the same time. Each seat also includes its own set of handlebars that allows children to grapple onto as they rock back and forth. There are also two sets of footrests that help children get to their seats. Other details include white-lettering with the words "police" etched prominently around it, front and back headlights and an engine. Additionally it is mounted on two springs which makes it extra stable for numerous children. The cool and spiffy 2 Seat Police Motorcycle Spring Bouncer comes in a black and white color palette that keeps it simple while keeping the look and feel of real police motorcycles.
