

Net Climber

MSRP \$1,964.00

SALE \$1,650.00

Age Group: 5 to 12 years

Footprint: 7' long x 7' wide x 6' high, top 2' wide

Use Zone: 19' x 19'

The Net Climber is constructed of galvanized steel piping with a plastic covered climbing net. The climber is 6 feet high x 7 feet square base, and the top is 2 feet wide. The sloped slides provide children a climbing challenge. Available as a portable or permanent unit, the permanent climber includes an anchor kit. Permanent climbers are required for commercial applications.
