- Includes a 32 gallon trash can and hand sanitation station
- Ideal for hosting groups outside for dining or education

The Outdoor Social Distancing Environment: Table Package by Webcoat is a great solution for those still needing to organize small gatherings of people during this time of high medical concern. The overhanging Rectangular Shade Shelter is a large protective covering sized 30-feet x 20-feet with an 8-foot entrance. This sizable roof protects those under it from the elements, while also allowing for appropriate 6-foot spacing between each of the six included tables, as advised by the Centers for Disease Control and Prevention. The resilient Ultraleisure Rectangular Portable Tables employ expanded metal surfacing that helps the units dry quickly. Also included is a Post-Mounted Hand Sanitizer Holder that is compatible with 42 oz. lever and automatic dispensers (sanitizer is not included), so there's no need to worry about not having nearby access to running water. Finally, the package comes with a lidded 32 Gallon Ultraleisure Standard Trash Receptacle that is finished with a tough layer of textured polyethylene (liner sold separately). Pick up this all-in-one package today to help your organization coordinate in a safer way while providing access to the psychological boost of being outdoors.
