Playground Equipment Dot-com's 1 Seat Tire Swing Seat Package includes a tire seat, chain, connector hardware, and Allen wrench assembly tool. This collection has everything you'll need to install a new tire swing onto an existing frame. The robust fastening system helps keep the chains firmly in place and also discourages potential vandalism. Tire swings add some exciting diversity to a lineup of traditional belt seat swings and are sure to generate some interest due to their classic appeal. The tire can be used by a single occupant properly spaced inside the seat or by up to two smaller users. This swing's seat appearance is available in different vibrant hues to help you match it to your site's existing color scheme. Pick up this handy package today and you'll have kids laughing as they zoom through the air in no time.
