Sandboxes provide safe ground play for young children and allows them to create fun shapes with their hands and imaginations. This sand equipment is constructed from safe and durable materials for commercial use. Includes four corner seats, ground barrier, and a heavy-duty cover with cord sewn into corners for a secure fit. The sandbox features commercial-grade blow mold HDPE plastic, an easy to install interlocking design, and a 10-year limited warranty. This sandbox can accommodate up to 2 bench seats, all sold separately.
