Infusing music with nature is a great way to positively engage the brain, encourage socialization and help communities grow. The Garden Bed Ensemble (includes Tenor Tree, Butterflies and Flowers) is the perfect addition to any new or existing community park for kids and adults. This authentic, hand-crafted set is made up of five perfectly tuned and unique sound sculptures to fill the area with joyous music from visitors and passers-by. Each of the flowers, butterflies and the tenor tree hold a mallet, securely attached to reduce the risk of loss or damage. This colorful and melodic collection can be mounted at your site using an inground, surface or portable system. Outdoor musical instruments encourage creativity, promote rhythm and provide sensory experiences for children of all ages. This set also provides a stunning and attractive aesthetic touch that complements the surrounding nature while simultaneously standing out. Make it the centerpiece or combine the Garden Bed Ensemble with other Freenotes Harmony Park instruments for an elaborate musical playground.
