

Wheel Adapter Kit for Striker Soccer Goals - Set of 4

Price \$520.00

Highlights:

- Comes with four wheels for a pair of goals
- Makes transporting and storing easier
- Reduces the risk of damage, wear and tear on equipment
- Designed to fit all Gared Striker goals

Open spaces are often used for multiple sports throughout the year, especially at schools. Portable systems make it easier to transform your site for each seasonal sport to meet regulations. The Wheel Adapter Kit for Striker Soccer Goals - Set of 4 is designed to fit any Gared Striker goal or goals with 1 5/8 inch or two-inch backstays. Securely attached 10-inch wheels allow the goals to be easily transported, offering convenience and flexibility to coaches, athletic directors and maintenance managers. This kit helps to prevent the wear and tear that comes from having to drag around portable goals. It includes four wheels which will work for one pair of goals. The Wheel Adapter Kit for Striker Soccer Goals - Set of 4 is not compatible with semi-permanent, permanent or combination sports goals. Install this kit to your Striker goals to make sure they can be effortlessly moved and stored for the off-season.
