The Grand Slam 42' Single Center Tennis Net is the perfect accessory for the Grand Slam 3-Inch Competition Tennis Posts. This net is suitable for competition and recreational tennis at parks, schools, and residential settings. It is 42 feet long to meet official specifications for regulation play. The headband is quad-stitched and made from heavy-duty vinyl-coated polyester. The body of the net consists of 3 or 3.5 mm high-density braided polyethylene twine and $\frac{7}{8}$ inch wooden dowels. The net is surrounded by black vinyl-coated polyester tapes along the sides and bottom. This high-quality net is designed to last and is perfectly suited for Gared tennis post systems. Combine with tennis net posts and center straps for a durable and attractive setup that will last through years of rigorous play.
