Safely store and transport your volleyball nets with the Store It Net Storage Rack from Gared Sports. When gym space is at a premium, the need for fast net installation and prompt storage increases. Choose between a single, double, or triple net storage rack to meet your needs. The unit fits volleyball nets of any size and features hearty steel construction with a black powder-coat finish to create a durable unit. Its compact design will fit in any closet, granting patrons more room for storage of other sporting equipment. Four non-marring casters allow users to easily ferry the unit in any direction without the worry of leaving marks on the floor. The slim, maneuverable rack is perfect for schools, colleges, and other sports organizations that need a fast and easy storage solution. Alternatively, it can be used to carry replacement nets so you never miss a beat, whether you are playing at home or on the road. Nets are not included.
