The flowers are in full bloom at AAA State of Play! The Outdoor Chalkboard Flowers by Infinity are the perfect addition to preschool playgrounds, with its whimsical design and colorful petals. Choose from a daisy, sunflower or rose shape and your choice of blue, green, red, tan or yellow petals and trim to customize your chalkboards to suit your play area. The chalkboard flowers are sold separately, so ask your sales representative about getting all three to complete the set. This durable chalkboard for outdoor use is made from HDPE plastic, making it washable and simple to maintain. Any of these flowers can be easily mounted to fences or walls to the perfect height for little ones. Drawing and writing is crucial for early childhood development, as it improves motor skills and promotes self-expression. They can join their friends on the Outdoor Chalkboard Flowers and play games or take inspiration from their surroundings for their next masterpiece. Outdoor chalkboards for playgrounds are a space-saving and effective element for early childhood care.
