The Tire Swing Seat by PlaygroundEquipment.com has a classic appeal that's sure to delight children on the playground. With a safe and innovative design, this durable plastic tire swing seat will provide endless hours of fun for one to two kids ages 2-12. This seat is easy to install and makes for a great replacement for any out-of-date or old tire seats in need of upgrading. The tire swing comes in both black and rainforest green, which will allow greater flexibility for your site's color scheme. This play favorite is sure to draw children from all over and keep them entertained. With the Swivel Hanger for Tire Swing Seats, they can enjoy swinging in all directions within the swing bay. This swing seat includes an allen wrench and H shackles. If chain is needed, check out the Tire Swing Seat Package, also on AAA State of Play.
