Built directly into an embankment, the 9-Foot Single Zig Zag Hillside Slide is a unique piece of playground equipment that's sure to add another layer of excitement and fun to your playground or outdoor space. The length of the Zig Zag Hillside Slide hugs the ground, making it ideal for kids who may be afraid of heights, as well as reducing the risk of fall injuries. Additionally, the Hillside Slide has a variety of color customization options, meaning you can make the slide fit in better with your existing playground equipment. Pairing the Zig Zag Hillside Slide with the proper surfacing at the landing of the slide is easy, and a number of surface options are available to choose from. Honor the landscape of your site and integrate play and nature into the playground with the Hillside Slide by PlaygroundEquipment.com.
