Do you ever find that sometimes even the best picnic can be ruined by the scorching hot sun overhead? Don't let it happen anymore with the Single Post Hexagon Fabric Shade! The single post design allows the shade to branch out easily, covering a wide area. This shade is also great for covering small play areas to shade children as they play. The shade fabric comes in twelve bright colors to match any existing equipment or any setting. To aid in the process of installing and removing the fabric, glide elbows are an option for every size. These glide elbows make the process much easier. To further the life of your shade you may want to remove the fabric during bad weather. The Single Post Hexagon Fabric Shade is available in sizes of 10 feet in diameter up to 27 feet in diameter. With so many options you will definitely find the right size shade for your area.
