Shake up your exercise routine with the Advanced Freestanding Playground Gym by PlaygroundEquipment.com. Made of high-quality weather resistant materials, this unit is an installment you can count on to provide you with an outdoor exercise experience like none other. Some exercises made possible by the Advanced Freestanding Playground Gym include pull ups, sit ups, dips, and more. Additionally, the overhead monkey bars provide an excellent supplement to core exercises and promote arm and finger dexterity. The Playground Gym can be occupied by multiple users, so anyone ages 13 and above can join in and get a great workout. Whether you're a seasoned athlete, an exercise novice, or somewhere in between, this fitness set has everything you need to have a great time and get an excellent workout. Add the Advanced Freestanding Playground Gym to your playground or outdoor space, and offer adults and teens in the community an opportunity to get in shape and stay healthy.
