

Umbrella Square Shade Shelter

Price \$3,333.00

Highlights:

- Single central post to support it
- Works well with various outdoor areas
- Well balanced due to the square shape
- Choose the mount that works for your situation with in-ground or surface mounts

Providing shade for patrons of your park or playground is always a great idea. People love having a shady place to escape to when the sun is burning bright in the sky. It also allows them to be protected from the sun's rays. The Umbrella Square Shade Shelter provides a cool place to relax while allowing maximum movement underneath due to the single post design. With sizes from 8 feet by 8 feet up to 24 feet by 24 feet, this shade is perfect to use in a large variety of situations. Install this shade in pool areas, picnic areas, or any park or playground area that you desire to provide shade. The Umbrella Square Shade Shelter is available with or without glide elbows. Glide elbows ease the process of installing and removing the shade fabric in case of inclement weather. The shade fabric is available in twelve colors to match any existing equipment or setting.
