Children will feel on top of the world on our Starry Moss Play System. With various panels, climbers, and more to choose from, Starry Moss is sure to attract children of any age between two to five. On the ground level, kids can use their imaginations with the Ship's Wheel by becoming a captain of a pirate ship, or utilizing their inner musician by playing tunes on the Single Drum. Want more adventure and activities? There are many ways to play and access the elevated level of Starry Moss, and kids can use either the Transfer Station, Pebble Climbers, Ocean Climber, or our new signature staple, the Funnel Tube Bridge. On the top of the structure, children can choose from an array of panels to keep their minds happily entertained like the Tic Tac Toe Panel, Plinko Panel, or the Gear Panel. When done exploring, they can thrillingly descend the structure by the Left Turn Slide. Many play opportunities are possible for young ones when you introduce the Starry Moss Play System to your outdoor area today.
