When it comes to adaptive swing seats, one thing that's crucial to ensure is that the safety harness is in good working condition. If fraying or other damage is found on the existing harness, the Superior Adaptive Swing Seat Replacement Harness will serve as an effective replacement, allowing kids on your playground to remain safe while at play. A high-quality, affordable option, the Superior Adaptive Swing Seat Replacement Harness will keep your children safe and secure while they swing to their hearts' content with the help of their adaptive swing seat. The Superior Adaptive Swing Seat Replacement Harness can be adjusted according to the size of the child in question, allowing for a wide range of kids to get active while remaining secured to the swing seat. This replacement harness fits Superior's Adaptive Swing Seat. Please note, this is the harness only. Seat is not included.
