Compact yet highly effective at promoting physical fitness, the Basic Kids Gym is another offering from PlaygroundEquipment.com's line of kids physical fitness equipment. Whether kids wish to swing, climb, or perform pull-ups, the Basic Kids Gym effectively facilitates all three motions. The Curved Horizontal Scaling Ladder offers kids a chance to test their upper-body agility, and forms a curved pathway for kids to follow. The Triple Agility Bars are perfect for young gymnasts, or simply those who wish to perform acrobatic movements like pull-ups. Lastly, the Freestanding Chain Climber allows children to scale the chain-link wall, all the while improving their grip and forearm strength. There's no shortage of active fun to have with the Basic Kids Gym.
