Give your students a relaxing, stress-reducing sensory experience with the Angeles Activity Table. Made of sturdy, weather-proof plastic, the Angeles Activity Table features a drain valve as well as a rust-proof galvanized steel frame. The table is great for both indoor and outdoor use, and features four wheels at the base of each table leg for maximum mobility potential. The Angeles Activity Table can be filled with up to fifty pounds of sand, making it ideal for several children at once to play. Some light assembly is required, and the table comes standard with a two-year warranty. The Angeles Activity Table helps children develop their gross motor skills and sensory skills, as well as engage in physical and socially-centered play activities, making it a great way to facilitate all manner of social interaction between young children.
