The Toddler Dress Up Storage Unit is an innovative classroom furnishing that's capable of storing different outfits. When kids want to play dress up, they'll find the shatterproof mirror included on the unit to be eminently useful, and the compact design of the Toddler Dress Up Storage Unit is conducive to keeping classrooms organized, clean, and tidy. Additionally, the Toddler Dress Up Storage Unit is constructed using durable, 11-ply birch wood with a nontoxic, natural UV finish, allowing it to be a staple of classrooms for years to come. The Toddler Dress Up Storage Unit measures 24" x 15" x 30", and ships fully ready to use with no assembly or tools required. Once you add the Toddler Storage Dress Up Unit to your classroom, you'll quickly find it to be a lightning rod for all sorts of creative play.
