

## Official Tournament Size Pickleball Net

**MSRP \$163.00**

**SALE \$102.00**

### Highlights:

- Net is made from 3mm braided polyethylene
- 27' steel cable runs through length of net
- Attaches neatly to any existing posts
- Facilitates hours of pickleball fun

Compatible with permanent, in-ground posts, the Official Tournament Size Pickleball Net will make your tennis court or other flat-surfaced outdoor space into a pickleball paradise. The Official Tournament Size Pickleball Net measures 21' 9" x 3' at center height, making it slightly lower from the ground than a typical tennis net. The net itself is made of intertwining black polyethylene braids, which help to protect the integrity of the net. To ensure maximum longevity, one should keep the net indoors when not in use, since it can still be buffeted and torn by wind and other inclement weather. Pickleball is the fastest growing sport in America, and it's easy to see why; thanks to its low-impact nature as well as its relative ease of learning, pickleball is increasingly the sport of choice among seniors and children alike. With the Official Tournament Size Pickleball Net, you can effectively turn any tennis court into a bonafide pickleball court.
