

8-Section Bubble Circle Wall Climber

MSRP \$11,139.00

SALE \$9,469.00

Age Group: 5 to 12 years

Footprint: 14' long x 14' wide x 7' high

Use Zone: 26' x 26'

The 8-Section Bubble Wall Climber is a popular playground climber configured in a circle design, creating a desirable freestanding climber that allows for easy supervision. The bubble panels reach 7 feet in height (from top of panel to top of protective surface) when installed properly over a protective play surface. Once you make a purchase you will be able to select from multiple post and panel colors.
