ASTM F1487-17

CPSC PUB #325

### ADA Compliant

Playground-goers will be sure to make a big splash and have lots of fun in the Kraken's Keep play structure. This mythical and magical structure is one of the brand new castle structure options from PlaygroundEquipment.com's Castle Series. There are many unique features that make the Kraken's Keep a must for any brave and daring adventurer. Kids can choose to come and play with one of the several bubble panels, or play a lovely nautical tune for their fellow sailors on the single drum panel. There are many different ways to climb aboard the Kraken's Keep, including an inverted arch ladder, a pea pod climber, and a wavy rock climbing wall. Once at the top of the structure, the young sailors can grab hold of the ship wheel to pilot the Kraken's Keep to far off lands! After that, kids have the choice between two slides to go down—a right turn slide or a straight wave slide. Kids will love getting their sea legs and playing in the mythical land of the legendary sea monster, the Kraken, here in Kraken's Keep!
