**Use Zone:** 27' 3" x 23' 6"

### COMPLIES With:

ASTM F1487-17

CPSC PUB #325

### ADA Compliant

Topkapi Terrace will tower over your playground and provide ample opportunities for kids to get active. Part of PlaygroundEquipment.com's Castle Series, Topkapi Terrace is chock full of exciting avenues of play. Starting on the ground, kids will immediately be drawn to the Single Drum as well as the Bongos, which they can use in collaboration with their peers to create lovely percussive music. Moving on up the structure can be accomplished via the stairway or the Pattern Climber, the latter of which offers several footholds and handholds to help kids surmount the climber. Once at the top, children can look out at the rest of the playground, crawl through the tunnel, or whoosh back down the ground with the help of the Left Turn slide. Topkapi Terrace features several ways for kids to get active, and its unique castle-like theme will inspire their imaginations for years to come.
