Add a layer of adventure and mystique to your playground with Bunker of Beasts, part of PlaygroundEquipment.com's Castle Series of play structures. With its distinctive exterior, which includes an ornate castle-like roof, Bunker of Beasts is sure to be the center of attention on your playground. Starting on the ground floor, Bunker of Beasts boasts a Bench Panel as well as a Rain Wheel, the latter of which can be used by children who wish to envision themselves driving a car or piloting a boat. Making their way up the stairs, the Castle Rock Wall Climber, or the Draw Bridge Climber, kids will soon notice the Gear Panel as well as the two slides on either side. Whether kids choose to whoosh back down to the ground aboard the Straight Slide or the Right Turn Slide, they're sure to return again and take advantage of the number of amenities offered by Bunker of Beasts.
