**Use Zone:** 25' 1" x 28' 9"

### COMPLIES With:

ASTM F1487-17

CPSC PUB #325

### ADA Compliant

The gods will smile upon your playground-goers when they play on Valkyrie's Villa, the latest addition to PlaygroundEquipment.com's Castle Series. Far from an ordinary play structure, Valkyrie's Villa boasts a unique, castle-themed design that will stimulate the imaginations of all children who play on it. Starting on the ground level, kids can play a percussive melody using the Bongos, or use the Ship's Wheel to imagine themselves as a roving, seafaring admiral. Ascending Valkyrie's Villa can be accomplished using the stairs or the Draw Bridge Climber, and once elevated, kids can crawl through the tube bridge to discover even more fun. The Straight Slide and the Right Turn Slide provide children the means to whoosh back down to the ground level, where they can begin their adventure anew.
