**Use Zone:** 30' 6" x 34' 8"

### COMPLIES With:

ASTM F1487-17

CPSC PUB #325

### ADA Compliant

Another addition to PlaygroundEquipment.com's Castle Series of play structures, Lotus Lantern features more than enough play elements to go around. With its unique castle-like theme, Lotus Lantern will help to inspire children's imaginations while they get active on the playground. On the ground floor, kids can take advantage of the Bongos to create percussive tunes, or use the Rain Wheel to envision themselves behind the wheel of a boat or a car. Ascending Lotus Lantern can be achieved using the Draw Bridge Climber, the Castle Rock Wall Climber, or the stairway. Awaiting kids will be the Ball Maze Panel, which they can use to test their hand-eye coordination, as well as four different slides for when they wish to whoosh back down to the ground.
