**Use Zone:** 28' 11" x 24' 1"

### COMPLIES With:

ASTM F1487-17

CPSC PUB #325

### ADA Compliant

Chock full of panels, slides, and other fun features, Roman Reach is an exciting addition to PlaygroundEquipment.com's Castle Series. From top to bottom, Roman Reach bears a host of enticing play options for kids young and old. Starting on the ground level, kids can utilize the bongos to craft a percussive tune of their own, or take a load off and rest using the Bench Panel. The Castle Rock Wall Climber offers an alternate route to the elevated portion of Roman Reach, while the stairs provide easy access to the structure's two activity panels. The Castle Learning Panel offers children an opportunity to learn more about medieval castles and knights, while the King and Queen Panel allows kids to envision themselves as a lord or lady of their own castle. Once finished, your playground-goers can descend Roman Reach using either the Left Turn Slide or the Wave Slide.
