

Chain Climbing Wall

MSRP \$2,524.00

SALE \$2,146.00

Age Group: 5 to 12 years

Footprint: 1' x 9'

Use Zone: 13' x 21'

The Chain Climbing Wall is a simple climbing unit designed to fit in narrower spaces for children from 5 to 12 that features high strength coated chain and rungs on two separate panels to create challenging fun. The heavy-duty steel posts are commercially constructed and powder coat painted in your choice of available colors. When installed, the center of the top rail of the climber should be seven feet from the protective safety surface.
