Add some pizzazz to your dog park with BarkPark Fence Hangers. From cats to dogs to squirrels, there are any number of options available to create the perfect animal-centric scene with the BarkPark Fence Hangers. These hangers are made from thermoplastic-coated steel, which means they'll stand the test of time and look good while doing so. Additionally, these figures can be mounted on almost any type of fence, and with the hardware provided, the hangers can accommodate one and two-chain link fencing. The black thermoplastic finish of the BarkPark Fence Hangers gives them a distinctive look that's sure to be noticed by park-goers and passersby alike.
