The Four Times the Climber is a versatile and exciting climbing structure with four distinct climbing surfaces, each providing a unique challenge and experience for kids. The four different climbers lead to one overtop ladder in the shape of an octagon. This octagon-shaped structure features a spiral climber, zig-zag climber, indent climber, and regular climber: something for everyone to enjoy! With the four different climbing surfaces, kids can explore and conquer each at their own pace and skill level. The Four Times the Climber promotes physical activity, builds confidence, and provides endless hours of fun and adventure. Overall, the Four Times the Climber is a fantastic investment for any school playground, park, or play area. Its durability and versatility will provide endless hours of entertainment and adventure for kids of all ages. Let the climbing adventures begin with the Four Times the Climber!
