Introducing Sphere Station Indoor Playground - the ultimate destination for kids' indoor playtime! Our state-of-the-art playground features an array of exciting activities and attractions designed to keep your little ones entertained and engaged for hours on end. Featuring a Bubble Lookout Panel, T-Tube Junction, and a variety of crawl tunnels, Sphere Station offers a unique sensory experience for kids. The 9' Enclosed Curved Tube Slide provides an exhilarating ride, while the 6-Level Deck Climb offers a challenge for young climbers and helps them build confidence and strength. This playground is designed with safety in mind, with soft play surfaces and sturdy equipment that meet or exceed industry standards. Parents will appreciate the Sneaker Keeper, a convenient feature that keeps shoes organized and in one place. Sphere Station is the perfect destination for birthday parties, playdates, or just a fun day out with the family. Bring your kids to this indoor playground and watch their imaginations soar! Please note: Surfacing tiles and ramps are not included. Please note: Surfacing tiles and ramps are not included.
