Get ready for an action-packed day of play at Tube Trek Indoor Playground, complete with exciting features for kids of all ages. With the Ball Turn Activity, Gyro Activity Panel, and Tic-Tac-Toe Activity Panel, children can exercise their creativity while having fun. The Wave Run feature provides an interactive and dynamic play experience, while the 12' T-Tube Crawl Tunnel and Squeeze Play are perfect for those looking for a challenge. Young climbers can test their skills with the 6-Level Deck Climb, providing a fun and engaging way to build confidence and strength. And for those seeking an adrenaline rush, the 11' Enclosed Spiral Tube Slide will surely deliver. Parents will appreciate the Sneaker Keeper, providing a convenient way to keep shoes organized and in one place. Join us for a day of fun and adventure at Tube Trek Indoor Playground! Please note: Surfacing tiles and ramps are not included.
