Fun Force Indoor Playground is a paradise for kids with a variety of engaging activities. The Gyro, Ball Turn, C-Force, Pinball, and Tic-Tac-Toe activity panels keep children entertained for hours. The Wave Run, 4' crawl tunnels, and 10' spiral tube slide provide endless fun and adventure. The Bi-Plane and Turbo Car with steering wheels stimulate imaginative play, while the 7-level deck climb and squeeze play challenge children's physical abilities. The enclosed hook tube slide adds a thrilling element to the playground. Parents will appreciate the Sneaker Keeper, providing a convenient way to keep shoes organized and in one place. Fun Force Indoor Playground is a safe and enjoyable place for kids to play and make friends while improving their coordination, balance, and cognitive skills. Let children unleash their energy and creativity in this exciting playground! Please note: Surfacing tiles and ramps are not included.
