For children who wish to take a journey into new galaxies of indoor playground fun, Galactic Gallivanter has just what they need. Boasting a bevy of thrilling features, Galactic Galivanter is an action-packed, all-in-one indoor playground. On the ground floor, kids can start by slipping their shoes and other belongings into the Sneaker Keeper, which helps to keep things neat and tidy and avoid tripping hazards. Four different activity panels adorn the lower level of Galactic Gallivanter, including the Ball Turn Activity Panel, the Gears Activity Panel, the Gyro Activity Panel, and the Tic-Tac-Toe Activity Panel, all of which help kids hone their hand-eye coordination and bolster their brain power. Moving on up the Deck Climb, kids will find a Space Cruiser, in which they can envision themselves as an astronaut, as well as an Enclosed Tube Spiral Slide, which they can use to cruise back to Earth safe and sound. Please note: Surfacing tiles and ramps not included.
