What is better than one slide? Two slides! The Double the Fun Playground Structure incorporates one of the most popular features on any playground twice. Along with two chute slides, this structure boasts a vertical ladder, a lily pad climber, a steering wheel, an ADA transfer station, and a square shingle roof. This structure is constructed for commercial use and does follow ASTM and CPSC guidelines for safety. With a smaller use zone the Double the Fun Playground Structure would be a perfect addition to any daycare or child development center. Give children a playground they are sure to love for years at an affordable price today!
