### COMPLIES With:

ASTM F1487-17

CPSC PUB #325

Featuring three sturdy climbing panels supported by strong posts, the Junior Triple Panel Climber is perfect for large play areas that see frequent use. The panels themselves are equipped with handholds and footholds for easy gripping, and allow kids ages 2 to 12 the ability to easily maneuver their way up the 5 feet-high climbing wall. Climbing is an excellent way for kids to let out excess energy, and the Junior Triple Panel Climber provides an excellent outdoor workout for energetic youngsters. Since the Junior Triple Panel Climber has two sides, kids can challenge each other to reach the top, creating a friendly competition between peers, and above all else, the climber is tailor made to enhance climbing skills, build strength, and ensure kids' safety in the process.
