Children can step right up to the most exciting indoor play experience they've ever had: Convivial Carnival. A massive indoor playground, Convivial Carnival combines a host of exciting amenities that kids will adore. At the floor level, young ones can twist and turn the Gyro Activity Panel, the Ball Turn Activity Panel, and the Pinball Activity Panel, each of which provides a unique, mentally-stimulating experience for kids. Also present is the Tot Triple Rail Slide, on which two kids at once can slide back down to the ground. Ascending either of the multi-level Deck Climbs, children can also discover the Enclosed Spiral Tube Slide, as well as the Hook Tube Slide, both of which will provide endless thrills for young indoor adventurers. Convivial Carnival boasts a wide array of play elements that kids will relish playing with time and time again. Please note: Surfacing tiles and ramps not included.
