Footprint: 4' 8" x 19' 2"

Use Zone: 16' 8" x 32' 2"

COMPLIES With:

ASTM F1487-17

CPSC PUB #325

Great for young ones who love to slide, the 7-foot Straight Sectional Free Standing Slide is an easy, natural addition to playgrounds big and small. With its sloping shape and sharp downward angle, kids can whoosh straight down to the ground without interruption by curves or bumps. The rotationally-molded plastic from which the 7-foot Straight Sectional Free Standing Slide is made, as well as its friction-reducing finish, make this slide a durable, safe addition to your existing repertoire of playground slides. Its solid blue color means that it'll fit in well with most existing playground color schemes, and its solid steel, 3.5-inch posts will keep the slide anchored into the ground for years to come.
