MSRP \$1,959.00

SALE \$1,666.00

Highlights:

- Two length options to choose from
- Vertical slats improve airflow
- Thermoplastic finish improves longevity
- Made using stainless steel hardware

Everyone loves a day at the park. Walking around and gazing at the natural surroundings is a time-honored tradition for those who live near parks, and with the Savannah Bench, park patrons have a great way to sit down, rest, and take in the beautiful scenery that surrounds them. With 4 foot and 6 foot length options, the Savannah Bench contains ample room for visitors to rest their legs. The bench's thermoplastic finish covers its welded square tube frame, which is sturdy enough to last for years to come on any park or playground the bench is placed on, and with five vibrant color options to choose from, the Savannah Bench is sure to make a splash in any outdoor environment.
