ASTM F1487-17

CPSC PUB #325

ADA Compliant

Replete with thrilling avenues of play, Misty Moor is a play structure with a great deal to offer. Like most play structures, the appeal of Misty Moor stems from its compact nature, which enables it to bring many children together to play. With so many play options to choose from, kids will have no trouble finding something to do aboard Misty Moor. On the ground level, imaginative little ones can take advantage of the Rain Wheel and the Ship's Wheel; whether kids wish to envision themselves as a race car driver or a roving sea captain, these wheels effectively enable sensory play. Moving on up Misty Moor, kids will be met with a Straight, Left Turn, and Right Turn Slide, as well as a Double Slide, which they can use to whoosh back down to the ground with ease.
