ASTM F1487-17

CPSC PUB #325

The Norma-Lee Playground Structure is a wonderful addition to any playground at an affordable price. Watch as children race down the slides, one curved and one straight chute slide, and climb back up the structure on either the loop climber, clover climber, or the steps. Designed to meet both ASTM and CPSC standards, the Norma-Lee is customizable in many different colors and is easy to install. This structure is commercial grade and built to withstand years of heavy use. Children will love the many different features of the Norma-Lee Playground Structure while adults will love the gentleness it had on their pocketbooks.
