ASTM F1487-17

CPSC PUB #325

Children will not know what to play with first on the Orange You Glad to Play Playground Structure, as there are just so many to choose from! Children can choose from four different kinds of slides (a triple rail slide, two chute slides, and a wave slide) along with a pod climber, a Spanish/English panel, and three other interactive activity panels. The Orange You Glad to Play promotes learning, physical activity, and socialization that will keep children entertained for hours. This structure does meet ASTM and CPSC guidelines for safety standards and is customizable in a variety of different colors. The Orange You Glad to Play is commercial grade, making it appropriate for use in public parks, schools, daycare centers, and neighborhood playgrounds.
