Hoosiers in general are known for their basketball. Young athletes will enjoy this play structure, as it is oriented towards activity. Stairs and an arch bridge will lead to four different slides, a bedrock climber, rock wall climber, vertical ladder, and a below deck bench for relaxation. Also included in this structure is a Jump Panel where athletes can measure how high they can jump. This structure does meet or exceed ASTM and CPSC safety guidelines and is customizable in a variety of different colors. The Hoosier Jumps Playground System is made for commercial use and is appropriate for a variety of age groups.
