

Zany Zipper Arch

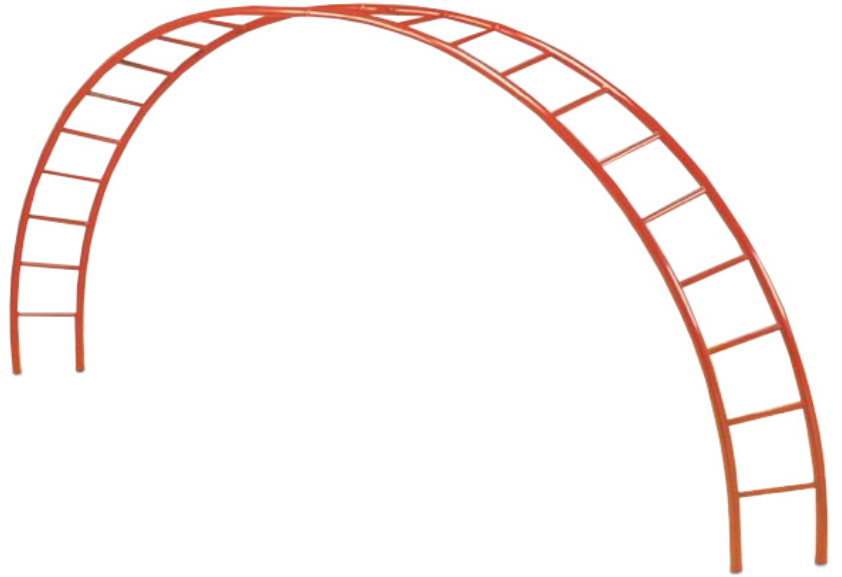

MSRP \$3,003.00

SALE \$2,553.00

Age Group: 5 to 12 years

Footprint: 2' long x 16' wide x 7' high

Use Zone: 14' x 28'

The Zany Zipper Arch features two curves offset from one another, making a truly unique challenge for all school age children. The Zipper Climber should be installed at height of seven feet from the top of the arch to the protective surfacing. Protective surfacing is important in preventing injuries from inevitable falls. Choose from a variety of custom colors when placing your order.
