The Yankee Doodle Playground Structure is the perfect addition to a playground for younger children. Made in the United States of America, safety is a top priority and every Yankee Doodle Playground Structure meets ASTM and CPSC guidelines. This structure boasts many different features including a double bed way slide, an elbow slide, a frog pad climber, multiple interactive play panels, and more. This structure is easy to install and very affordable. The Yankee Doodle Playground Structure is customizable in a variety of different colors and as it is commercial grade, it is built to withstand years of heavy use.
