From the crawl tube to the multiple slides to the zig-zag straight rung horizontal ladder, children will love the vast amount of activities offered in the unique Bumble Tub Club Playground Structure. As with other Sii structures, this playground is built to withstand years of heavy use and does meet ASTM and CPSC guidelines to ensure the safest possible playground for children. Also featured in this structure are multiple interactive activity panels, a steering wheel, two roofs, and a transfer station. The Bumble Tub Club is commercial grade, customizable in many different colors, and has a maximum child capacity of 30 children.
