ASTM F1487-17

CPSC PUB #325

The Twist and Shout Playground System from Sii incorporates a vast array of activities for children of all ages. The structure includes an alpine thunder slide, a triple rail slide, a bubble wall climber, a curved trapeze ladder, a curved tri-rung ladder, a half moon climber, multiple interactive activity panels, and more. This structure does meet or exceed ASTM and CPSC safety guidelines and is customizable in a variety of different colors. The Twist and Shout Playground System is made for commercial use, making it appropriate for use in public parks, schools, daycare centers, and neighborhood playgrounds.
